The latest published Rules of the Bureau Veritas Marine & Offshore and the Terms of use are applicable
La dernière édition des règlements de Bureau Veritas Marine & Offshore ainsi que les Conditions Générales d'utilisation sont applicables

Any person not a party to the contract pursuant to which this document is delivered may not assert a claim against Bureau Veritas for any liability arising out of errors or omissions which may be contained in said document, or for errors of judgement, fault or negligence committed by personnel of the Society or of its Agents in the establishment or issuance of this document, and in connections with any activities for which it may provide.

Extract of Rules Pt A, Ch 2, Sec 2, [3.4]

3.4.1 - Information given in the Certificate of Classification, associated endorsements, Rules and specific documents enables the Owner to identify the status of surveys and Conditions of Class/recommendations.

3.4.2 - The omission of such information does not absolve the Owner from ensuring that surveys are held by the limit dates and pending Conditions of Class/recommendations are cleared to avoid any inconvenience which is liable to result from the suspension or withdrawal of class; see Ch 2, Sec 3.

Toute personne qui n'est pas partie au contrat aux termes duquel ce document est délivré ne pourra engager la responsabilité du Bureau Veritas pour les inexactitudes ou omissions qui pourraient y être relevées ainsi que les erreurs de jugement, fautes ou négligences commises par le personnel de la Société ou par ses agents dans l'établissement de ce document et dans l'exécution des interventions qu'il comporte.

Extrait du Règlement Pt A, Ch 2, Sec 2, [3.4]

3.4.1 - Les informations données dans le Certificat de Classification, les endorsements associés, le Règlement et les documents spécifiques au navire permettent à l'Armateur d'identifier la situation des visites et des réserves.

3.4.2 - L'omission de ces informations ne décharge pas l'Armateur de s'assurer que les visites sont effectuées aux dates limites et que les réserves en suspens sont levées, afin d'éviter les inconvénients pouvant résulter de la suspension ou du retrait de la classe; voir Ch 2, Sec 3.

C Overdue
 C Overdue in less than 1 month
 C Limit date in less than 3 months

Class Memoranda

Issued	Description of Memoranda
09 Jan 2003	The navigation notation "COASTAL AREA" allows this ship to sail at a maximum distance from shore enabling to put it in a port or sheltered anchorage within about 6 hours sailing time, without any other restriction of distance from coast.
12 Mar 2010	PS & SB propellers fitted without any certificates. Propellers serial numbers JD4080 and JD4081

Statutory Memoranda

Issued	Description of Statutory Memoranda
14 Apr 2022	<p>For this vessel during Class Renewal Survey the Netherlands Flag notation UMS (Unattended Machinery Space) is to be surveyed by Bureau Veritas.</p> <p>The Netherlands Shipping Inspectorate has authorized Bureau Veritas to perform the renewal UMS surveys. For these vessels a dedicated checklist in accordance with Guideline no. 3 (Richtlijn no. 3) is provided on board. Evidence must be provided that the alarms and other functions are checked/tested regularly.</p> <p>For all ships provided with Unmanned Machinery Spaces (UMS)-notation, regardless of length, propulsion power or assigning organization, evidence must be available on board that the ships' UMS-provisions are checked and tested, every 4 months by the ships' crew to ensure that the UMS-provisions are functioning in a reliable manner.</p>

Regulatory Information

New requirements applicable

It is reminded that the Marine Environment Protection Committee of the IMO, at its 71st meeting (July 2017) agreed on the phase in of compliance with the standard described in regulation D-2 (i.e. installation of BWMS) for Existing ships (Regulations B-3). For "existing ships" (ships constructed prior to 8 September 2017), the IOPP renewal survey to be taken into account on or after 8 September 2017 as the start of the phase-in of conducting Ballast Water Management that at least meets the standard described in regulation D-2 is: - FIRST RENEWAL SURVEY IF: 1. this survey is completed on or after 8 September 2019, or 2. a renewal survey was completed after 8 September 2014 but prior to 8 September 2017 - SECOND RENEWAL SURVEY IF: the 1st renewal survey following the entry into force of the BWMS Convention is completed prior to 8 September 2019, provided that a renewal survey (i.e. IOPP renewal survey) was NOT completed on or after 8 September 2014 but prior to 8 September 2017. NB: Existing Ships which are not subject to hold an IOPP certificate shall comply with the standard described in regulation D-2 from the date decided by the Administration, but not later than 8 September 2024.
